

August 3, 2009

City High School is launching its Annual Tax Credit Fund early this year. We are hoping you can invest now – and not wait for the traditional giving season in December. This way your donation can benefit City High School students from DAY ONE of the new school year.

We use Arizona School Tax Credit donations to strengthen our academic program and enhance students' experiences in many ways. A few highlights include:

- ***Guest artists co-teaching 10th and 11th grade City Works classes***
- ***Students traveling throughout Arizona and the greater Southwest on **multi-day excursions** that connect with the curriculum***
- ***All ninth graders participating in a year-long **service learning class*****
- ***Seniors interning at businesses and community organizations***

As I'm sure you are aware, Arizona schools experienced a significant decrease in state funding last year and this coming year. We are working hard to minimize the impact of this on students. You can help us as we strive to close the funding gap and maintain the wonderful programs we offer at City High School.

Please send a check using the form below OR visit our website to make an on-line donation through PayPal, <http://www.cityhighschool.org/>

On behalf of all the students and staff, thank you so much for your generous support of City High School.

Sincerely,
Carrie Brennan, Executive Director
